The Fornacina 2019 Brunello di Montalcino Riserva is a distinctly powerful wine with candied cherry and orange peel aromas that are studded with exotic spice and clove. The wine sports fine-knit tannins over firm density and richness. Like the village Brunello, the Riserva also sees fruit sourced from across the estate's five hectares of Brunello vines, but this special selection results in a small release of 2,666 bottles.
