

2020 Fornacina Brunello di Montalcino Riserva

The organic Fornacina 2020 Brunello di Montalcino Riserva opens with a pretty and vibrant bouquet of cherry, cassis and bright red fruit. Despite its Riserva designation, the wine shows a primary immediacy that speaks positively to its balance and long-term aging potential. Subtle accents of spice, tar and toasted notes add complexity without weighing down the wine. Sourced from five hectares of vines, this is a limited production of 2,666 bottles. The balanced, even nature of the 2020 vintage favors clarity and harmony over overt concentration.
