

FORNACINA BRUNELLO DI MONTALCINO RISERVA 2019

This is more on the blue-fruit end of the spectrum, showing blueberry cake, a touch of violets and spices. Medium- to full-bodied with a structure composed of grainy tannins and a good backbone of acidity. It finishes firm, the tannins slowly dissolving and becoming feathery. This needs a couple of years to soften. Better from 2026 or 2027.
